The Fourth Integrated Symposium (UNLV/NSTec) Collaborative Research Opportunities

Tuesday, February 28th, 2012
Marjorie Barrick Museum Auditorium
7:30am to 5:00pm

Moderated by: Steven Curtis
National Security Program Manager
for the UNLV Harry Reid Center

NSTec Coordinators:
Eric Machorro
Howard Bender
Mike Mohar

Stockpile Stewardship
National Center for Nuclear Security
Homeland Security

Featuring 18 scientists and engineers from UNLV and NSTec describing their work as it relates to national security requirements for the United States.

Join us for a quick-paced forum to help determine collaborations suitable for advancing engineering and scientific research at NSTec and UNLV.

RSVP to steve.curtis@unlv.edu or (702) 219-6463
