This Report is brought to you for free and open access by the Public Lands Institute at Digital Scholarship@UNLV. It has been accepted for inclusion in Get Outdoors Nevada by an authorized administrator of Digital Scholarship@UNLV. For more information, please contact digitalscholarship@unlv.edu.
Executive Summary

- The number of records in the volunteer database increased by 2% over the last quarter. The database now contains 6,179 records.
- Website activity remains secure, recording an average of 97,141 hits per month and an average of 9,227 pages viewed per month.
- Volunteer fall training has been completed.
- Volunteer spring training has been scheduled.
- The Interagency Volunteer Program supported 21 events.
- The 21 events posted on GON recruited 1,038 volunteers which resulted in 4,680 volunteer hours contributed to helping to protect our public lands.

Summary of Attachments

- IVP team meeting agendas

Task 1. Refine and maintain a quality Web-based volunteer database.

The Volgistics volunteer database is now populated with 6,179 records. (See Figure 1 on next page). The number of volunteers in the database increased by 2% over the last quarter.
Fig. 1 above shows increase in number of records in the database of volunteers.

Task 2. Manage, update, and administer an IVP Website.

At the end of this quarter, a new web design was launched and website activity increased; results are as follows:

- An average of 97,104 hits per month, a decrease of 20% over last quarter.
- An average of 9,227 pages viewed per month, a decrease of less than 1% over the average for the previous quarter. (See Fig. 2 below.)

Fig. 2 Get Outdoors Nevada Website Activity
Task 3. Evaluate and revise, as appropriate, Standard Operating Procedures (SOPs) for all areas of interagency volunteer management.

The Interagency Volunteer Team (IVP) met three times during the quarter to further develop the trainings and events scheduled for the quarter. The team also decided to file a no-cost extension to SNPLMA. The team asked for an extension until 2013 with the understanding that the NPS and USFS would likely close out in 2012. This extension was approved by the SNAP board and has been sent to SNPLMA for review.

The team has also agreed to submit a CESU extension with UNLV Public Lands Institute. The goal is to have the CESU extension mirror that of the SNPLMA extension request. The team will have the CESU request submitted by April 30, 2010.

The team will begin reviewing and revising all sections of the IVP standard operating procedures manual. The first section will be reviewed at the April 8, 2008, team meeting. The team has started to brainstorm ways to automate the volunteer orientation training.

A four-hour volunteer assistant training workshop was created. In addition, an IVP Volunteer Assistant Training Manual was completed. An IVP Volunteer Assistant Training workshop was held in February 2010. While the attendance number (8) was low, feedback from the training was positive. Dates for additional volunteer assistant trainings are being explored.

Task 4. Evaluate and update strategies and tools for volunteer recruitment.

New policies and procedures for writing and sending the monthly newsletter were agreed upon by the IVP team. These new policies and procedures were implemented at the start of the quarter and have resulted in a timely newsletter. Each month the newsletter is sent out on the 15th.

The monthly newsletter continues to be well received. The newsletter is not only being sent to volunteers in the Volgistics database, it is also being forwarded to many other organizations. For example, the newsletter is now distributed to the City of Las Vegas, Bailey Middle School staff, faculty and students at UNLV, and to a number of Clark County commissioners.

Over the past two months GON email has received many compliments about the newsletter. It continues to be a great recruitment tool.

Task 5. Support Agency Departments and SNAP Teams with conservation projects that require volunteer workforce on the public lands.

The IVP team continues to work with other SNAP teams to provide logistical support for volunteer events. The Public Lands Institute provided support for the following 21 events,
which are summarized in Table 2 below. This quarter, 1,038 volunteers were recruited resulting in a total of 4,680 hours donated to protecting and caring for our public lands.

**January 6, 2010 - Lovell Canyon Clean Up**  
**Spring Mountains NRA– U.S. Forest Service**  
The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 16 volunteers for a cleanup event in the Spring Mountains NRA. Volunteers contributed 127 hours and restored part of Lovell Canyon Rainbow Mt. Wilderness. Volunteers also restored 2 campsites and removed 17 buckets of glass, 1 couch, and 2 water coolers. The efforts put forth by the volunteers allowed this significant Recreational area to be restored back to its well-kept state.

**January 9, 2010 - Quarterhorse and Torino Clean Up**  
**Bureau of Land Management**  
The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 5 volunteers for a litter cleanup near the intersection of Quarterhorse Lane and Torino in the Southwest part of Las Vegas. Volunteers contributed 25 hours and removed over 35 Cubic Yards of trash including couches, landscape debris, other furniture and household trash. The efforts put forth by the volunteers allowed this area to be restored back to its well-kept state.

**January 16, 2010 - Westside of Spring Mountains Clean up**  
**Spring Mountains NRA- U.S. Forest Service**  
The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 33 volunteers for a cleanup event to help restore a portion of Lovell Canyon. Volunteers contributed 259 hours and removed 12 buckets of glass, 1 broken chair, 43 bags of trash, 2 TV sets, and 3 sheets of OSB panels and other construction materials. The efforts put forth by the volunteers allowed this significant recreational area to be restored back to its well-kept state.

**January 29, 2010 - Eagle Home School Group Clean up and Restoration Event**  
**Corn Creek, Desert National Wildlife Refuge - U.S. Fish and Wildlife Service**  
The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 15 volunteers for a cleanup and restoration event near Corn Creek. Volunteers contributed 60 hours to cut dense cattail from 20 linear feet of stream channel and Remove 7 cubic yards of un-compacted brush from the grounds around Corn Creek. The efforts put forth by the volunteers allowed this significant recreational area to be restored back to its well-kept state to be enjoyed by all.

**January 30, 2010 - Lovell Canyon Clean Up**  
**Spring Mountains NRA– U.S. Forest Service**  
The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 10 volunteers for a cleanup event in the Spring Mountains NRA. Volunteers contributed 60 hours and restored over 4,000 square feet of wilderness part of Lovell Canyon Rainbow Mt. Wilderness. The efforts put
forth by the volunteers allowed this significant Recreational area to be restored back to its well-kept state.

**February 4, 2010- Great Unconformity Clean Up**

Frenchman Mountain NRA– Bureau of Land Management

The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to support a cleanup event at the Great Unconformity. A total of 42 Bailey Middle School students contributed 245 hours and removed 10 cubic yards of trash during an educational field trip to the Great Unconformity. The efforts put forth by the volunteers allowed this significant geological site to be restored back to its well-kept state.

**February 6, 2010 - Lake Mead NRA Fence Restoration**

Lake Mead NRA– National Park Service

The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 8 volunteers for a restoration event in the Lake Mead NRA. Volunteers contributed 36 hours and mended 200 linear feet of fence in order to keep OHV from a sensitive cultural area. Volunteers also removed 75 pounds of debris from the surrounding area. The efforts put forth by the volunteers allowed this significant Recreational area to be restored back to its well-kept state.

**February 13, 2010 - Placer Cove Clean Up**

Lake Mead NRA– National Park Service

The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 32 volunteers for a cleanup event in the Lake Mead NRA. Volunteers contributed 128 hours and removed 2,500 pounds of garbage from in and out of the water. The efforts put forth by the volunteers allowed this significant Recreational area to be restored back to its well-kept state.

**February 20, 2010 - Lovell Canyon Route Restoration**

Spring Mountains NRA– U.S. Forest Service

The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 6 volunteers for a restoration event at two different locations in the Spring Mountains NRA. Volunteers contributed 48 hours and restored over 237 linear feet of route in the Rainbow Mt Wilderness area and 128 linear feet of route in the La Madre Wilderness area for a total of 627 square feet. The efforts put forth by the volunteers allowed this significant Recreational area to be restored back to its well-kept state.

**February 22, 2010 - Mountains Edge Community Clean Up**

Mountains Edge– Bureau of Land Management

The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 65 volunteers for a litter cleanup. Volunteers contributed 445 hours and removed debris from five vacant parcels in the Mountains Edge Community. Volunteers removed approximately 140 cubic yards
of trash and debris. The efforts put forth by the volunteers allowed this area to be restored back to its well-kept state.

**February 27, 2010 - Stewart’s Point Clean Up**  
**Lake Mead NRA – National Park Service**  
The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 53 volunteers for a cleanup event in the Lake Mead NRA. Volunteers contributed 162 hours and removed 13 cubic yards of trash and debris. The efforts put forth by the volunteers allowed this significant Recreational area to be restored back to its well-kept state.

**February 27, 2010 - Ash Meadows Restoration Event**  
**Ash Meadows National Wildlife Refuge – U.S. Fish and Wildlife Service**  
The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 21 volunteers for a habitat restoration event in the Ash Meadows Wildlife Refuge Area. Volunteers contributed 105 hours and removed 300 cubic yards of cattails from the area. The removal of this species provides opportunities for other native species to re-vegetate the area, increasing biodiversity of the refuge. The efforts put forth by the volunteers improved the pupfish habitat and helped to secure the ecological health of the outflow of the Kings Pool.

**March 6, 2010 - Sloan Canyon Clean Up**  
**Sloan Canyon NCA – Bureau of Land Management**  
The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 6 volunteers for a litter cleanup. Volunteers contributed 18 hours and removed 8.56 cubic yards of trash and debris. The efforts put forth by the volunteers allowed this significant conservation area to be restored back to its well-kept state.

**March 6, 2010 - Great American Clean Up**  
**Lake Mead NRA – National Park Service**  
The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 117 volunteers for a cleanup event in the Lake Mead NRA. Volunteers contributed 468 hours and removed 1,200 pounds of glass and more than 5,200 pounds of garbage. The efforts put forth by the volunteers allowed this significant Recreational area to be restored back to its well-kept state.

**March 13, 2010 - Greenway and Ray Clean Up**  
**Greenway and Ray – Bureau of Land Management**  
The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 67 volunteers for a litter cleanup at the intersection of Greenway and Ray Road. Volunteers contributed 201 hours and removed 56 cubic yards of trash and debris. The efforts put forth by the volunteers allowed this significant area to be restored back to its well-kept state.

**March 13, 2010 - Las Vegas Boat Harbor and Eco Dive Clean Up**
Lake Mead NRA– National Park Service
The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 85 volunteers for a cleanup event in the Lake Mead NRA. Volunteers contributed 340 hours and removed 1,500 pounds of garbage and 500 pounds of glass and metal. The efforts put forth by the volunteers allowed this significant recreational area to be restored back to its well-kept state.

March 13, 2010 - Save the Desert Eco Walk
Lake Mead NRA– National Park Service
The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 113 volunteers for a cleanup event in the Lake Mead NRA. Volunteers contributed 452 hours and removed 40 cubic yards of trash and debris. The efforts put forth by the volunteers allowed this significant recreational area to be restored back to its well-kept state.

March 16, 2010 - Lasell College
Sunrise Mountain– Bureau of Land Management
The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 12 volunteers for a cleanup event in the Lake Mead NRA. Volunteers contributed 60 hours and removed 8 cubic yards of trash and debris. The efforts put forth by the volunteers allowed this significant recreational area to be restored back to its well-kept state.

March 20, 2010 - River Mountain Loop Clean Up
Lake Mead NRA– National Park Service
The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 48 adult and 133 youth volunteers for a cleanup event on vacant BLM parcels on Moccasin and Durango. The 181 volunteers removed 100 cubic yards of debris.

March, 24, 27, & 28 2010 - Fairbanks Native Fish Translocation
Ash Meadows Wildlife Refuge– U.S. Fish and Wildlife Service
The Interagency Volunteer Program promoted and recruited 44 volunteers for a 3-day habitat restoration event at the Ash Meadows Wildlife Refuge Area. Volunteers contributed 289 hours to assist staff in the transfer of 3,150 native Amargosa Pupfish, and 12,000 endemic snails from an old to newly dug channel for Fairbanks Spring. In the process they also removed 2,710 invasive crayfish. The efforts put forth by the volunteers improved the pupfish habitat and helped to secure the ecological health of the outflow of the Kings Pool.

March 27, 2010 - Protectors of Tule Springs Great American Cleanup at the CTA
Bureau of Land Management
The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 69 volunteers for a litter cleanup at the intersection of Greenway and Ray Road. Volunteers contributed 276 hours and
removed 90 cubic yards of trash and debris. The efforts put forth by the volunteers allowed this significant area to be restored back to its well-kept state.

**March 27, 2010 - 6 Mile Cove Clean Up**

**Lake Mead NRA—National Park Service**

The Interagency Volunteer Program collaborated with the Take Pride Interagency Program (Don’t Trash Nevada) to promote and recruit 38 volunteers for a cleanup event in the Lake Mead NRA. Volunteers contributed 152 hours and removed 22 cubic yards of trash. The efforts put forth by the volunteers allowed this significant Recreational area to be restored back to its well-kept state. Participating groups included Wells Fargo, Beta Alpha Psi, Chapparal High School (Las Vegas), Clark County Dept of Juvenile Justice.

Table 2 shows the details of the types of events that were scheduled by agencies in the spring of 2010.

**Task 6. Evaluate, refine, enhance, and deliver interagency volunteer orientation and training program.**

Two volunteer trainings were held this quarter. Table 3 summarizes the training offered.

- A total of 8 volunteers completed the Volunteer Assistant Training on February 1, 2010.
- A total of 9 volunteers completed the First Aid and CPR training on February 20, 2010.

Table 3 shows the details of the types of trainings that were scheduled by agencies in the spring of 2010.

Task 7. Identify possible grant and donation opportunities to help support and sustain the program.

Public relations and outreach activities, as well as opportunities to develop new collaborative community partnerships and relationships included the following:

- UNLV PLI Graduate Assistant presented an overview of GON to station casinos.
- Examined possibilities of service learning grants.
- GON Project Manager presented GON opportunities to five UNLV classes.
- GON events are cross-listed on the Volunteer Center of Nevada website.

Task 8. Plan and implement volunteer recognition initiatives and events.

The IVP team agreed to hold a volunteer appreciation Ice cream Social on April 30, 2010. This volunteer appreciation event will be held near the time of volunteer appreciation week and is open to any volunteer with at least one hour of volunteerism through one of the agencies. Sharon Schafer has agreed to be the guest speaker and will be presenting her “Art of Nature: Images of Southern Nevada. The event will be held at the Lake Mead Safety Training building.

Discussions have started regarding another bus tour. This bus tour provides volunteers with a chance to interact and learn from SNAP personnel they may otherwise not have a chance to meet. This training is a popular recognition and retention tool providing volunteers with enhanced opportunities to feel part of the federal land management team. The team has also started discussions about alternative bus tours. For instance, instead of the traditional bus tour, the idea of bringing a group down the Black Canyon was suggested. All bus tour planning is in the formative stages.

The team has started the initial planning stages for the next volunteer appreciation banquet. Alternative places to hold the banquet have been presented and the team has tentatively agreed to hold the next banquet at UNLV.
