DO YOU KNOW THAT OUR CLIENTS REPORTED FROM 45% TO 200% INCREASE IN CONSUMER RESPONSE? NOW, WHO DO YOU WANT TO HANDLE YOUR DON RICKLES TALK-ALIKE CONTEST?
There is an old adage that says something to the effect: "The third time is the charm." Well, if there is any truth at all to that ancient quote, then Jerry Tarkanian's third year as the UNLV head basketball coach should be the finest yet.

And, if, year number three is better than number two, it will be a great Rebel year in 1975-76. Last season was UNLV's finest ever, a 24-5 record, the West Coast Athletic Conference championship, and the Rebels advanced to the Division I playoffs for the first time and ended the season in the top 20 in both the UPI and AP polls.

To be the best is not the easiest challenge ever accepted by a man, but Tarkanian has made the commitment and he and his staff are dedicated to that goal.

Winning is a fact of life to Jerry Tarkanian - on the court and off. In 19 years of coaching in the collegiate, high school and junior college ranks, the third-year Rebel coach has known nothing but success.

In seven seasons as a major college coach (five at Cal State, Long Beach), Tarkanian has the highest winning percentage in collegiate basketball, winning 166 games while losing only 31. His two seasons with the Rebels have brought in a 44-11 record (20-6 in 1973-74 and 24-5 in 1974-75).

What is equally amazing is that Takanian NEVER lost a home game at Long Beach. His 49er teams won 65 straight home games in the Campus Gym and Long Beach arena, culminating with a nationally-televised impressive 77-66 victory over Marquette that drew a PCAA and CSU LB record crowd.

At UNLV, Tark's troops have won 21 straight games going into the 1975-76 season and in two years in Las Vegas, the Rebels, in the friendly confines of the Las Vegas Convention Center, are 29-2. The only two losses have been to Texas Tech, 82-76, and to the University of Houston, 75-72. Both were during the 1973-74 season.

Sell-out crowds have been traditional in the Tarkanian era. In the Rebels two WCAC seasons with Tarkanian, UNLV did not lose a home game in 14 nights. UNLV has now withdrawn from the WCAC to compete as a Division I independent so as to clear the way to schedule the best competition possible. The Rebels are also developing as a strong road team as well under Tarkanian's guidance. In two seasons, UNLV is 15-9 on the road, including the first-ever Division I playoffs at the end of last season. (Continued on Page 20)

THE UNIVERSITY REBELS CLUB

Certainly one of the finest in the nation, the University Rebels Club is the driving force behind booster support for the UNLV athletic program. With continued active member participation, the URC is growing even stronger.

This past year the URC had its greatest fund raising drive ever, raising nearly $450,000 for the support of the grant-in-aid program for Rebel athletics. This total is also one of the top five in the nation, and, to think UNLV has had only just over a decade of graduating classes, so the alumni roster isn’t very long.

The honorary list of alumni at UNLV is one of the largest as the record drive would indicate all the thousands of Rebel boosters there are in the community. URC co-ordinator is Davey Pearl and the director of athletic fund-raising for the university is Dr. Wayne Pearson. No university in the country has two more dedicated men than Pearl and Pearson and they have literally become living legends among booster groups across the nation.

William “Wildcat” Morris is back as President of the University Rebels Club this year, but, Morris has never been to far behind the scenes in Rebel athletics, and, was one of the main men who helped establish football at UNLV.

On July 10, 1975, Caesars Palace Hotel hosted the grandest URC “Thank You” Banquet of all as nearly 2,500 Rebel boosters were honored by one of the all-time greats — Mr. Frank Sinatra.

The URC office on the UNLV campus is open daily and all Rebel boosters and friends are urged to drop by and say hello to Wayne and Davey. Information regarding the URC and what it takes to become a UNLV scholarship donor may be obtained by calling 739-3614 or dropping by their office.

In the sub-regional game played on the campus of Arizona State in Tempe, UNLV defeated San Diego State, 90-80. In the NCAA Regional tournament in Portland, Ore., the Rebels were narrowly trimmed by Arizona State, 84-81, but, bounced back in the consolation game to defeat a favored University of Montana team, 76-67.

Before Long Beach, where Tarkanian's reputation first drew national acclaim, he spent seven seasons in the Junior College ranks at Riverside and Pasadena City Colleges. At Riverside (1962-66), he had a 131-9 overall record, which included three consecutive state championships and four league championships in five years. No other junior college coach in the history of California basketball has achieved those heights. At Pasadena (1966-68), Tarkanian was 67-4 and bagged a fourth state title while finishing in the runnerup spot another time.

An astonishing feature of his wins is that they were accomplished at schools which had never previously won a basketball championship. Riverside was last in its conference two consecutive years before Tarkanian; Pasadena was last in its conference the previous year, Long Beach had never won a championship, and UNLV had never finished higher than fourth in the WCAC.

The outstanding coach started his coaching career with five years in high school at San Joaquin Memorial, Antelope Valley and Redlands High Schools. Regarded as one of the great recruiters in the nation, "The Pied Piper" of college basketball landed for Long Beach such nationally recognized superstars as Sam Robinson, George Trapp, Chuck Terry, Ed Ratleff, Leonard Gray and Roscoe Pondexter. In his first year at UNLV, Tarkanian may have recruited as well as he did during his entire tenure at Long Beach State.

As his winning tradition continues to grow, so has his reputation. Two years ago Tarkanian brought three high school All-America performers to be with him. All juniors this season, they are Eddie Owens (Houston, Texas), Lewis Brown and Jackie Robinson (both Los Angeles). New recruits this year are JC All-Star Sam Smith (from Las Vegas), and freshmen Reggie Theus (Inglewood, Calif.) and Mickey Berkowitz (Tel-Aviv, Israel). Berkowitz is the first international player to attend UNLV.

Jerry Tarkanian is a towel-chewing, nail biting, hard-working Armenian who came to Las Vegas with a COMMITMENT TO EXCELLENCE as his inspiring philosophy. He will settle for nothing less than excellence from his players, both on and off the court. In addition to a nationally-recognized basketball program for UNLV, Tarkanian has developed a tutorial program for his players that paid high dividends. A trademark of Tarkanian players is that they almost without exception, earn their college degree, even though some of them do it during the off season as they are in professional basketball. UNLV attempts to emphasize equally the importance of academics AND basketball to all its student-athletes. Evidence of his strong belief in academics is his selection as "Professor of the Year" in 1970 by the students of Long Beach State. He was also honored as "Father of the Year" in 1966 by Riverside County for his "guidance and care on and off the court of all the young men under his tutelage, as well as his family of four."

(Continued on Page 22)
JERRY TARKANIAN (cont.)

Tarkanian’s players have gone on to play in professional basketball. They include Chuck Terry (Houston Rockets), Eric McWilliams (Houston Rockets), George Trapp (Detroit Pistons), Bob Rule (Cleveland Cavaliers), Ed Ratleff (Houston Rockets), John O. Trapp (Los Angeles Lakers), Glenn MacDonald (Boston Celtics), Leonard Gray (Seattle SuperSonics), and most recently Ricky Sobers (Phoenix Suns).

Darrell Evans, who played for Tarkanian in junior college, is a starter for the Atlanta Braves in major baseball. An intense individual, he has coached in Ecuador for the People-to-People Sports Committee, and in April and May 1968, he coached the Junior College Olympic Team in the Olympic Trials.

The 45-year-old coach easily won the hearts of Las Vegas fans, and, the L.A. Times called him an “instant Las Vegas Celebrity.” A true-champion-builder, when he arrived at Long Beach, the team was unknown nationally. When he left, it was an established power, second in the West only to UCLA.

A native of Euclid, Ohio, Tarkanian attended Pasadena City College before graduating from Fresno State in 1956. He received his Master's degree from Redlands University in 1960.

With Tarkanian tradition and image, the speaking engagements for clinics and banquets come in nearly every day. He will average nearly one a week during the off-seasons.

Las Vegas is a town known for having the best, and, Jerry Tarkanian is surely at the top of that list.

THE RIGHT DEFENSE...

PRICES!
It has been a year of continued achievement at the University of Nevada, Las Vegas. Here is a glimpse at the highlights:

Enrollment: There are now 8,000 students enrolled at UNLV, and the rate is still climbing at about 15 per cent a year—many times the national average. Students come from every state of the nation and more than three dozen foreign countries.

UNLV: A GROWING UNIVERSITY

Instruction: Presently, students may enroll in any of 65 degree programs at the bachelor's and master's level offered by UNLV's 32 academic departments. Last summer, the school's first doctoral program got under way in the College of Education as a joint effort between UNLV and the University of Nevada, Reno. The university conducted its second successful "Mini Term" in January. The innovative program gave students two weeks of intensive study into topics of wide ranging and timely concern. Some students worked in local businesses or government offices, while others traveled out of state to investigate everything from plant ecology to mountain resorts. More than 5,000 persons attended the university's two summer sessions, and 10,000 adults enrolled in the many classes, institutes, workshops and seminars conducted for community residents.

New Construction: One of the country's finest physical education centers opened its doors last spring. The 6 million facility, containing two gymnasmums, a 50 meter indoor swimming pool, handball courts, training and equipment rooms, not only provides space for physical education, but has become a center for the entire community, since numerous classes for every age level have been organized by the school's Division of Continuing Education. The complex has been named the Paul McDermott Physical Education Center in memory of the long-time Las Vegas business and civic leader, friend and regent of UNLV. Two major facilities now under construction include the 2,000-seat Artemus Ham Concert Hall, and a $5 million Life Science Building, to open during the summer of 1976.

National Honors: The theatre arts department's production of "The House of Bernarda Alba" was selected in the most recent American College Theatre Festival as one of the nation's top ten plays out of 336 colleges and universities which competed for the distinction. The play was performed last spring at the John F. Kennedy Center for the Performing Arts in Washington, D.C. with all expenses paid by the festival.

Summing Up: In just 18 years, UNLV has blossomed from a single small building beside a dirt road into a beautiful 300-acre campus. It has attracted a well-qualified faculty of some 325 professors who are not only devoted to good teaching, but who are earning reputations for their research work and community service endeavors. Overall, the economic contribution of UNLV to the city has been significant, with millions of dollars brought into the area through student and faculty expenditures, capital construction endowments and grants. The university is a resource that all in Las Vegas are proud to support.

WHO'S INVITED?

Boys and girls between age 8 and the junior year in high school. You will be grouped and instructed according to age.

THREE SESSIONS will be offered—Monday through Friday, 9:00 a.m. - 1:00 p.m.

- June 7-11 (For boys only)
- June 14-18 (For girls only)
- June 21-25 (For boys only)

• CLASS WILL MEET in the new Paul McDermott Physical Education Complex on the UNLV campus, where there are two new air-conditioned gyms and other modern facilities. • WHAT'S IT ALL ABOUT? The fundamentals of basketball will be stressed: passing, dribbling, offensive and defensive footwork, defensive stance, ball handling, rebounding techniques, plus a strong emphasis on your shooting techniques. • DAILY CLASSROOM SESSIONS will highlight technique and strategy, with film sessions and instruction on rules and officiating. Also: full-court, organized, officiated games are scheduled each day. • INSTRUCTION will be geared to you, individually; lots of personal attention is built into this program. • YOUR INSTRUCTORS? UNLV basketball coach Jerry Tarkanian and his coaching staff. The entire camp is organized by "Tark," one of the great basketball masters, who will be on the floor personally instructing each student. You'll get the best from the best. • REGISTRATION is a breeze: just complete the attached form and return it with your check.

Enclosed is my check for $60 made payable to the Board of Regents, UNLV.
