JERRY TARKANIAN STORY

There is an old adage that says something to the effect: "The third time is the charm." Well, if there is any truth at all to that ancient quote, then Jerry Tarkanian’s third year as the UNLV head basketball coach should be the finest yet.

And, if, year number three is better than number two, it will be a great Rebel year in 1975-76. Last season was UNLV’s finest ever, a 24-5 record, the West Coast Athletic Conference championship, and the Rebels advanced to the Division I playoffs for the first time and ended the season in the top 20 in both the UPI and AP polls.

To be the best is not the easiest challenge ever accepted by a man, but Tarkanian has made the commitment and he and his staff are dedicated to that goal.

Winning is a fact of life to Jerry Tarkanian - on the court and off. In 19 years of coaching in the collegiate, high school and junior college ranks, the third-year Rebel coach has known nothing but success.

In seven seasons as a major college coach (five at Cal State, Long Beach), Tarkanian has the highest winning percentage in collegiate basketball, winning 166 games while losing only 31. His two seasons with the Rebels have brought in a 44-11 record (20-6 in 1973-74 and 24-5 in 1974-75).

What is equally amazing is that Takanian NEVER lost a home game at Long Beach. His 49er teams won 65 straight home games in the Campus Gym and Long Beach arena, culminating with a nationally-televisioned impressive 77-66 victory over Marquette that drew a PCAA and CSULB record crowd.

At UNLV, Tark's troops have won 21 straight games going into the 1975-76 season and in two years in Las Vegas, the Rebels, in the friendly confines of the Las Vegas Convention Center, are 29-2. The only two losses have been to Texas Tech, 82-76 and to the University of Houston, 75-72. Both were during the 1973-74 season.

Sell-out crowds have been traditional in the Tarkanian era. In the Rebels two WCAC seasons with Tarkanian, UNLV did not lose a home game in 14 nights. (UNLV has now withdrawn from the WCAC to compete as a Division I independent so as to clear the way to schedule the best competition possible. The Rebels are also developing as a strong road team as well under Tarkanian’s guidance. In two seasons, UNLV is 15-9 on the road, including the first-ever Division I playoffs at the end of last season. (Continued on Page 20)

Good luck U.N.L.V. during your 1975-76 Basketball Season from the State of Nevada.

Certainly one of the finest in the nation, the University Rebels Club is the driving force behind booster support for the UNLV athletic program. With continued active member participation, the URC is growing even stronger.

This past year the URC had its greatest fund raising drive ever, raising nearly $450,000 for the support of the grant-in-aid program for Rebel athletics. This total is also one of the top five in the nation, and, to think UNLV has had only just over a decade of graduating classes, so the alumni roster isn’t very long.

The honorary list of alumni at UNLV is one of the largest as the record drive would indicate all the thousands of Rebel boosters there are in the community. URC co-ordinator is Davey Pearl and the director of athletic fund-raising for the university is Dr. Wayne Pearson. No university in the country has two more dedicated men than Pearl and Pearson and they have literally become living legends among booster groups across the nation.

William “Wildcat” Morris is back as President of the University Rebels Club this year, but, Morris has never been to far behind the scenes in Rebel athletics, and, was one of the main men who helped establish football at UNLV.

On July 10, 1975, Caesars Palace Hotel hosted the grandest URC “Thank You” Banquet of all as nearly 2,500 Rebel boosters were honored by one of the all-time greats – Mr. Frank Sinatra.

The URC office on the UNLV campus is open daily and all Rebel boosters and friends are urged to drop by and say hello to Wayne and Davey. Information regarding the URC and what it takes to become a UNLV scholarship donor may be obtained by calling 739-3614 or dropping by their office.
DR. DONALD BAEPPLER: UNLV President

Two years ago, the Nevada Board of Regents selected Dr. Donald H. Baepler as the third president of UNLV. The appointment came to a man who has served the campus for five successful years as academic vice president and who twice had guided the institution as acting president.

A biologist by profession, Dr. Baepler has maintained an active participation in the sciences, teaching at least one class each semester while carrying out his many administrative duties. He is a Rebels Club member and an energetic booster of all the university's athletic endeavors.

Dr. Baepler came to UNLV in 1968 from Central Washington State College in Ellensburg where he held the position of dean of administration. During eight years there, he also served successively as chairman of the Biology department and assistant to the president.

His special area of interest is ornithology, or the study of birds, and he has traveled widely to conduct research and writing on the subject. He has done field work on the cold plains of Alaska, in the jungles of Guatemala and nearly every part of the continental United States, providing data on bird life for such agencies as the National Audubon Society, the U.S. Fish and Wildlife Service and the National Science Foundation. Papers resulting from this research on North American birds have appeared in several national science journals and the author has been asked to report his findings before numerous learned societies.

Additionally, Dr. Baepler has found time to serve his community through his elected office in the Las Vegas Symphony Society and his leadership in the Governor's Manpower Conference. He has been an evaluator of grant proposals for the National Science Foundation and is a commission member of the Northwest Association of Secondary and Higher Schools.

Recently, he was elected president of the Zoological Society of Nevada, the parent organization of the Las Vegas Valley Zoo.

Born in Edmonton, Canada, the 43-year-old administrator earned his graduate degrees at the University of Oklahoma and a bachelor's diploma from Carleton College in Northfield, Minnesota. He is an officer and member of a number of professional associations and honor groups.
JERRY TARKANIAN (cont.)

In the sub-regional game played on the campus of Arizona State in Tempe, UNLV defeated San Diego State, 90-80. In the NCAA Regional tournament in Portland, Ore., the Rebels were narrowly trimmed by Arizona State, 84-81, but, bounced back in the consolation game to defeat a favored University of Montana team, 78-67.

Before Long Beach, where Tarkanian’s reputation first drew national acclaim, he spent seven seasons in the Junior College ranks at Riverside and Pasadena City Colleges. At Riverside (1962-66), he had a 131-9 overall record, which included three consecutive state championships and four league championships in five years. No other junior college coach in the history of California basketball has achieved those heights. At Pasadena (1966-68), Tarkanian was 67-4 and bagged a fourth state title while finishing in the runner-up spot another time.

An astonishing feature of his wins is that they were accomplished at schools which had never previously won a basketball championship. Riverside was last in its conference two consecutive years before Tarkanian; Pasadena was last in its conference the previous year, Long Beach had never won a championship in basketball, and UNLV had never finished higher than fourth in the WCAC.

The outstanding coach started his coaching career with five years in high school at San Joaquin Memorial, Antelope Valley, and Redlands High Schools. Regarded as one of the great recruiters in the nation, “The Pied Piper” of college basketball landed for Long Beach such nationally recognized superstars as Sam Robinson, George Trapp, Chuck Terry, Ed Ratliff, Leonor Gray and Roscoe Pondexter.

In his first year at UNLV, Tarkanian may have recruited as well as he did during his entire tenure at Long Beach State.

The outstanding coach started his coaching career with five years in high school at San Joaquin Memorial, Antelope Valley, and Redlands High Schools. Regarded as one of the great recruiters in the nation, “The Pied Piper” of college basketball landed for Long Beach such nationally recognized superstars as Sam Robinson, George Trapp, Chuck Terry, Ed Ratliff, Leonor Gray and Roscoe Pondexter.

Evidence of the strong belief in academics is his selection as “Professor of the Year” in 1970 by the students of Long Beach State. He was also honored as “Father of the Year” in 1968 by Riverside County for his “guidance and care on and off the court of all the young men under his tutelage, as well as his family of four.”

(Continued on Page 22)
Tarkanian's players have gone on to play in professional basketball. They include Chuck Terry (Houston Rockets), Eric McWilliams (Houston Rockets), Rob Rule (Cleveland Cavaliers, Ed Ratleff (Houston Rockets), George Trapp (Detroit Pistons), Bob Rule (Cleveland Cavaliers, Ed Ratleff (Houston Rockets), John Q. Trapp (Los Angeles Lakers), Glenn MacDonald (Boston Celtics), Leonard Gray (Seattle SuperSonics), and most recently Ricky Sobers (Phoenix Suns).

Darrell Evans, who played for Tarkanian in junior college, is a starter for the Atlanta Braves in major baseball. An intense individual, he has coached in Ecuador for the People-to-People Sports Committee, and in April and May of 1968, he coached the Junior College Olympic Team in the Olympic Trials.

The 45-year-old coach easily won the hearts of Las Vegas fans, and, the L.A. Times called him an "instant Las Vegas Celebrity." A true-champion builder, when he arrived at Long Beach, the team was unknown nationally. When he left, it was an established power, second in the West only to UCLA.

A native of Euclid, Ohio, Tarkanian attended Pasadena City College before graduating from Fresno State in 1956. He received his Master's degree from Redlands University in 1960.

Tarkanian and his devoted and totally-involved wife Lois, reside with their four children - Pamela, Jodie, Danny and George - in their new Las Vegas home.

With Tarkanian tradition and image, the speaking engagements for clinics and banquets come in nearly every day. He will average nearly one a week during the off-seasons.

Las Vegas is a town known for having the best, and, Jerry Tarkanian is surely at the top of that list.
