SHEILA STRIKE

Head Coach
2nd Year at UNLV (12-12)
Career Record: 12-12

Sheila Strike took over the Lady Rebels shortly before the 80-81 season began. Most coaches facing similar circumstances would have been satisfied with the kind of year the Rebels had but not Coach Strike. Hired on relatively short notice, she had no chance to recruit and only a little time to become familiar with the players already on hand. Still, the Rebels pulled through a competitive schedule with a 12-12 record.

"Not to discount last year, but we feel we are really beginning here. All the people who will be on our roster will be there because we choose them to be and that is a real plus for any coach." The number of scholarship athletes has doubled from 5 to 10, and although the schedule appears tougher than last year, optimism is high for a big improvement on that 12-12 mark.

UNLV is Coach Strike's first position as a head coach. Prior to taking over the Lady Rebels she was an assistant with the Oregon team. Ducks for two years. She has also coached the girls varsity at North Delta High School in Delta, British Columbia and the JV's at Simon Fraser University in Burnaby, British Columbia.

Coach Strike's coaching talents are an obvious exception to the old cliche, "Those who can't, teach." Throughout her undergraduate days she played on the Canadian National team and traveled across 4 continents facing the best players in the world. Stops included Moscow for the World Student Games, Mexico City for the Pan Am Games, the World Championships in Cali, Columbia, a tour to China, and several trips to Europe. She helped lead the Laurentian University team to the Canadian collegiate championship in 1974.

A native of Canada, Coach Strike received her B.A. from Laurentian (Sudbury, Ontario) in 1975, and has done post graduate work at Simon Fraser and the University of Oregon. She is expected to have her Masters of Science in Sociology of Sport and Athletic Administration shortly after the end of this season.

JIM BOLLA
Assistant Coach
1st Year at UNLV

Professional playing experience is brought to the Lady Rebel coaching staff by Assistant Jim Bolla. Jim spent a season with the Cannon team in Venice, Italy and later was a member of a team of American professionals who played in South America. His transition into the coaching profession took place at his alma-mater, the University of Pittsburgh.

Beginning as a graduate assistant for both the men's and women's programs at Pitt, Coach Bolla became the rebounding specialist for the Panthers. The results were impressive...at the end of the '79 season the Pitt men were #3 on the NCAA's rebounding charts and at the end of the '80 season the women were 7th according to the AIAW. He was a full-time assistant for the Pitt women's team before coming to UNLV.

Coach Bolla was captain for the Panthers in 1975, when they made the field for the NIT. The previous season he helped Pitt make the NCAA field. Like Coach Pence, Coach Bolla was a high school All-America while playing for Pittsburgh's Caneyin High, the 1969 Pennsylvania state champions.

DAN PENCE
Assistant Coach
1st Year at UNLV

If the Lady Rebels needed a "Psych" coach, Dan Pence would be the man. One of the top players to come out of Phoenix, Arizona Central High School, Pence has spent the past 6 years exploring the sociological imbalance of gender roles. Particularly role conflicts still faced by 'female' athletes in our culture.

This adds to his talents as a working coach, talents which were developed beginning as a player at the University of Southern California and then the University of Arizona.

Besides "in the gym" coaching responsibilities, Coach Pence is in charge of the Lady Rebels' recruiting for the western part of the country, a job which utilizes his sociological expertise as well as his basketball knowledge.

Coach Pence received his B.A. in History at the Univ. of Arizona in 1976 and completed his work on a Masters of Arts in Sociology at UNLV this past spring. His high school playing days landed him All-City, All State, and Honorable Mention All-American honors.

KEITH STARR
Volunteer Assistant

Keith Starr's bad luck may turn out to be very good luck for the Lady Rebels. A three-year veteran of the NBA, Starr is spending the 1981-82 season as a volunteer assistant for UNLV while undergoing a rehabilitation program for a troublesome knee. Alternating between guard and forward, his playing career Starr is concentrating on helping the Lady Rebel guards.

As a member of the Pitt varsity in the mid-70's, Starr helped the Panthers put together a 22-game winning streak during the 1973-74 season, the longest string of wins in the nation that year. The following season the team landed a spot in the N.I.T.

Professionally, Starr has played for the Chicago Bulls, L.A. Lakers, and Cleveland Cavaliers despite undergoing four knee operations. It was the last of those operations which required the rehabilitation program that eventually brought him to UNLV. Only 27, Starr will give the NBA another shot when his knee is ready to go.

Starr is a graduate of Quaker Valley H.S. in Leet'sdale, PA and graduated from Pittsburgh with a degree in Economics.

KATHY RICKS
Graduate Assistant
Former Lady Rebel

The Rebel offense will continue to be helped by Kathy Ricks this season although not as directly as before. The leading scorer for UNLV the past 2 seasons is now a graduate-assistant coach.

Kathy became UNLV's #2 all-time leading scorer in only two seasons as a Rebel after transferring from Cal State Fullerton. In 79-80 she scored 490 points while being the only Rebel to play in all 30 games. She followed that with 486 points last year to trail only All-American Debra Waddy in career points, 1105 to 975. Ricks' point totals for each particular

JACKIE NEWTON
Academic Counselor

UNLV's emphasis on the importance of academic success for each athlete is underscored by establishment of an Academic Counselor's office several years ago. The position is currently held by Jackie Newton, a transplanted Sooner from Oklahoma City and the University of Oklahoma.

Currently, the primary function of Newton's office is to advise all intercollegiate athletes, scholarship or non-scholarship, in addition to or in lieu of other advisory opportunities on campus.

year led the team and she was also Cal State-Fullerton's leading scorer the two seasons she played there. Following her junior year at UNLV she was selected for the 1979 America Honorable Mention by the American Women's Softball Four, Team captain and only senior on last year's team, she demonstrated leadership qualities carried over to the grad-assistant's job. She finished her playing career with a bang, scoring a career high 38 points against Cal State-Long Beach in senior season finale.

Playing for Olympic Silver Medalist coach Nancy Dunke at Valasota High School in Placentia, Calif., Ricks was named to the California Inter-scholastic Federation first team as a junior and senior. Also lettered 3 years in tennis dur­ ing high school. At Cal State-Fullerton she not only lettered in basketball as a freshman and sophomore, leading the team in scoring both years, but was all-conference both years and all-region as a sophomore.

Unofficially, Jackie Newton makes it her personal goal to help the scholastic progress of the athletes and ensure they take full advantage of the educational oppor­tunities available.

Newton received her Bachelor of Business Administration degree from the University of Oklahoma in 1982 and then returned to the campus at Norman 13 years later and added a Master of Educa­tion degree. She is currently working on her Masters she served as a Financial Aid Counselor at Oklahoma and then, just prior to receiving her degree, became an Academic Counselor for UNLV. She remained in that position until coming to UNLV.

A mother of two teen-age sons, Jackie has been very active in many civic and professional organizations including Big Brothers and the Urban League.

Dr. Leonard Goodall
President

Dr. Leonard "Pat" Goodall, UNLV's fourth president, stepped into the university's top admin­ istrative post in July, 1979 arriving at a time when the universi­ ty is perhaps on the brink of its greatest period of development.

With an administrative background at three urban universities, he is especially suited to the job.

Dr. Goodall comes to Las Vegas from the mid-west where he has served for eight years as Chancellor of the University of Michigan-Dearborn.

Previously, he served successively as associate dean of faculties and vice chancellor of the University of Illinois at Chicago Circle.

A specialist in the field of urban politics, Dr. Goodall predicts that higher education will flourish in the future in the nation's urban centers, especially in the Southwest where the population growth is greatest.

From 1962 to 1967, Dr. Goodall worked as assistant director and later as director of the Bureau of Government at Arizona State University.

Dr. Brad Rothermel
Athletic Director

Dr. Bradley L. Rothermel was named UNLV athletic director March 1, 1981. The new athletic director had been at the University of West Virginia, Morgantown, for the past two years. Before that, he was assistant director of the athletic department at Kansas State University, and had earlier been the athletic department at the University of Illinois, with

CHRISTINA KUNZER
Coordinator of Women's Athletics

In July of 1981, Christina Kunzer assumed responsibility for coordinating all women's athletic events, community fund raising, and representing the University at national and regional meetings as well as other related duties. She is the first to hold the position as Coordinator of Women's Athletics.

At UNLV, "We feel we have a very qualified and extremely am­ bitious person in Tina," commented Athletic Director Dr. Brad Rothermel at the time of Kunzer's appointment. "She has the utmost support and encourage­ ment from the University in her endeavors as Coordinator of Women's Athletics."

Kunzer, a native of Las Vegas, is a 1970 graduate of UNLV with a Bachelor's degree in Physical Education. She later earned a Masters in Education at UNLV in 1977.

The president received his bachelor of arts degree in political science from Central Missouri State College in 1956. He earned his master of arts in political science from the University of Missouri in 1960, and a doctorate in political science from the University of Illinois in 1962.

He is the author of three books, Urban Politics in the Southwest, The American Metropolis and State Politics and Higher Educa­ tion. He has also written numerous monographs and ar­ ticles in scholarly journals. Dr. Goodall and his wife, Lois, have two daughters and a son.

Taking over as head coach of the UNLV women's tennis pro­ gram in 1979, Kunzer became in­ volved in several areas of the UNLV athletic department. Over 2 years as a graduate assistant in the Physical Education Depart­ ment from 1977 to 79. She has served as a volunteer coach since 1977 and continues to han­dle that job.

Kunzer is married to former UNLV football player Thomas Kunzer. In her spare time she en­ joys dancing, snow skiing, hor­ ticulture and snowboarding.

THE UNIVERSITY

The University of Nevada-Las Vegas moves into its second quarter-century of service amid the same kind of expansion and growth which marked the school's first 25 years. In 1957 UNLV was a single one-story building in the desert but now covers 335 acres with modern facilities for over 10,000 students.

In the fall of 1981 students were able to use a $7 million, four-story addition to the James Dickinson Library for the first time. Currently under construction is the $4.2 million Alta Ham fine arts building and the $9 million building which will be the new home of the College of Business Economics and the College of Hotel Administration. Ground has been broken for UNLV's new building for over 25 years.

Las Vegas

"The Entertainment Capital of the World" thrives behind the bright lights of the famous "Strip" and Fremont Street but the cultural and recreational attractions are even broader. While the glitter of gaming and entertainment centers is often left primarily to the tourists, Las Vegas offers much more.

Within 30 miles of campus are the recreational advantages of Lake Mead, Mount Charleston, and the panoramic red rock mountains. New parks, museums, churches, hospitals, and libraries insure opportunities for all interests while the unique entertainment scene remains convenient.

Las Vegas Facts

Las Vegas (Spanish for "The Meadows") is the seat of Clark County, located in the southern tip of Nevada, bordered by Arizona and the Colorado River on the east and California on the west. The Las Vegas metropolitan area is nestled in a 2,000-foot high desert valley surrounded by mountains.

POPULATION: 481,000; CHURCHES: Approx. 200; EDUCATION: 111 elem. and secondary schools 87,358 students (Clark County) Community College 8,000 est.; AVG. DAYS SUNSHINE: 310 (82%), AVG. "What a season!" remarked Strike whose team closed out the year by dropping a hard-fought 87-85 decision to number two ranked Long Beach State in UNLV's South Gym.

The Rebels finished the year at 12-12, the most successful season in the sport's seven-year history at UNLV, however, coach Strike was not looking for any excuses about her team's mediocre performance on the visiting.

What the year started Strike had no prediction about the coming season. What we did do, however, was set our own goals for the team, and tried to direct our program in keeping with the winning tradition of UNLV basketball," said Strike. "In retrospect, I think we accomplished a lot of things we set out to do. We lost a few games we could have won, but every coach will tell you that."

The Lady Rebels' best performance of the season came against the 49er's of Long Beach, as senior captain Kathy Ricks, playing in her last collegiate game, scored a career high 38 points, pulled down seven rebounds, and dished off six assists to lead the Rebel cause. Priscilla Hobbs, starting in place of guard Tina Glover, also played spectacularly in the final game of her collegiate career putting up 23 points, six rebounds, six steals and five assists.

1980-81 was a year that re wrote the Lady Rebel record books, as UNLV set no less than six individual marks and five team records.

Sophomore Sonia Lykes' 14 assists in a 98-82 victory over Cameron University set a single game assist record, previously held by three Lady Rebels with 11. Junior center Kathy Calloway, among the nation's leading rebounders throughout the season, set a Rebel record with her 24 boards in a 110-106 loss to Louisiana State University. Baroni Candler owned the old record of 22.

Ricks, an honorable mention All-America selection last year, set season and career Lady Rebel records with her 818 points in 69 games (13.8 ppg) and Calloway with 898 points in 81 games (11.0 ppg) is fifth.

In addition, the 1980-81 Lady Rebel set team records for highest field goal percentage (.437, 788 of 1776), most losses (12), most home losses (8), most road losses (4), and fewest road wins (2).

Junior guard Tina Glover moved into the top spot of all-time Rebel assists leaders this season with 366 in 69 games (4.1 apg). In addition, Calloway's team high 290 rebounds (12.2 rpg) this year makes her the all-time Lady Rebel rebounder leader.

On the season, Ricks' team high 485 points (20.2 ppg) moved her into second place on the all-time scoring behind UNLV great Debra Waddy. Ricks finished her Rebel career with 975 points in 64 games (18.1 ppg). Glover is third on that same list with 952 points in 69 games (13.8 ppp), and Calloway with 898 points in 81 games (11.0 ppg) is fifth.

In addition, the 1980-81 Lady Rebel set team records for highest field goal percentage (.437, 788 of 1776), most losses (12), most home losses (8), most road losses (4), and fewest road wins (2).

### 4 KATHIE CALLOWAY

**6-0**

Center/Forward

Senior

Michigan City, Indiana

Academic Major: Biology-Pre Med

**Co-Captain**

Shortly after ringing in the New Year the Lady Rebels should be crowning a new all-time scoring leader. Calloway needs only to equal her 15 points-per-game average of last season to claim the #1 spot ahead of All-American Debra Waddy ('77) with room to spare.

Waddy has a 217 point edge at the start of the season with a grand total of 1105 but, at 15 a game, Calloway can break that during the Rebels' Round Robin Tournament starting January 7. It only follows that a player surpassing the records of an All-American should be considered for All-America honors herself.

Paradoxically, Calloway may earn her place among the nation's best by playing less this season. There might not be any discernable difference in the amount of playing time she puts in but the Rebels are deeper at center this season and that means Calloway can be spelled for a rest more often, keeping her at her best throughout each game.

And when Calloway is at her best, the Rebels roll. One of the top 20 rebounders in the country last year she is step one in the Rebels basic fast-break offense. Her efforts last year broke team records for most rebounds in a single game (24 vs. LSU) and most boards for a career (642).

Kathie was not only the Rebel leading rebounder in 17 games last season but also the leading scorer for 3 games (a top of 26 against LSU, the same game in which she broke the rebounding record). She has one of the best shooting percentages of players coming back from last year (48 %) and despite playing center, ranked 3rd on the team for steals (47).
