When the UNLV Lady Rebel basketball team was left out of post-season play last year following a sparkling record of 24-4, there may have been some disappointment on the part of staff and fans. After all, it was one of the best seasons in the history of the Lady Rebel program. But it must be realized that much of that team is back which makes the future of the program seem so bright.

Co-Head Coaches Sheila Strike-Bolla and Jim Bolla, in their first season as equal status (Bolla was an assistant previously), are beaming over the prospect of a Top 20 national ranking.

"We have a strong nucleus of sophomore players this year who saw a lot of action as freshmen," said Strike-Bolla. "We are a young team and we also have four new players, but it's deceiving because we do have experience."

That's a combination that the coaching duo, who are married to each other, are counting on to propel the Lady Rebels to even a better season in 1983-84. Back at the guards positions are two players who turned in stellar performances last year. Senior Rochelle Oliver, a 5-7 senior from Bakersfield, CA, was the second leading scorer for the Lady Rebs with a 17.3 average. Oliver was the only player to start all 28 games last year. At the other guard will be Misty Thomas, a 5-11 sophomore from Windsor Ontario, Canada who averaged 12.1 ppg and led the team in assists with 147.

Thomas was one of four freshmen who saw prominent roles last year, something that will have to happen again.

"The freshmen will have to play for us," said Bolla. "They will have the opportunity to play in situations, which will keep some of the pressure off them. It will be a learning experience for them."

"We have four freshmen this year," added Strike-Bolla. "All four have the caliber to play and we're hoping to have at least two contribute this season."

Returning forwards are senior Lori Arent and sophomore Donya Monroe. Arent, a 6-1 transfer from the University of Pittsburgh, missed the first part of last season but then joined the team to play in 19 games and average just under five points/game. A strong inside player, Arent averaged 4.5 rebounds per game.

Monroe, another of last year's super frosh class, started 27 games, scored 10.4 ppg, averaged 8.2 rebounds/game and was tied for second on the team with eight blocked shots.

Both Arent and Monroe saw action at center along with still another freshman Tara Garlepp. The 6-5 sophomore played in 24 games last year, led the team in blocked shots (10) and averaged 6.2 ppg.

The Lady Rebs, however, will miss their co-captains from a year ago.

Leading scorer Penny Welsh (19.9 ppg) and four-year starter Sonia Lykes will leave a void that the rest of the team must fill. Welsh played in all but two games and shot 53% from the floor and 86% from the line. Lykes started in 20 games and shot an amazing 60% from the floor.

"They (Welsh and Lykes) were the team leaders," said Strike-Bolla. "They were the tireless workers who kept everyone up in practice. Their replacements in those aspects won't be determined until we are into the season."

The Lady Rebs will face a more difficult schedule this year. Many of the early games are at home and much of the traveling is toward the end of the season. The coaches wanted this to allow the young players a chance to 'get their feet wet' before the tough opponents on the road.

Some of the games that will test the Lady Rebs this year include the season opener against Cal Berkeley; Houston on Dec. 8; Arizona State in the Budweiser Round Robin Tournament in January; LSU and Louisiana Tech in back-to-back road games Jan. 26 and 28; BYU in February; and the Alaska Tournament featuring Texas and Florida State.
SHEILA STRIKE-BOLLA  CO-HEAD COACH

Sheila Strike-Bolla begins her fourth season with the Lady Rebel basketball team. This is the first season that she is sharing, with her husband Jim Bolla, the head coaching duties. Strike-Bolla is 49-32 in her three seasons as head coach, with last year her best, as the team finished with a 24-4 record. Although the Lady Rebels were unranked last year, Strike-Bolla is looking for a national ranking this season as the Lady Rebels will return most of last year's team. With the 1983-84 team being so young, there are only three seniors, UNLV seems to have the potential for national prominence not only this season, but in seasons to come.

Before coming to the Lady Rebels, she was an assistant for two seasons at the University of Oregon. Prior to that, she coached the girl's varsity at North Delta High School in Delta, British Columbia and the JV at Simon Fraser University in Burnaby, British Columbia.

As a player, Strike-Bolla was on the Canadian Olympic Team for four seasons as an undergraduate, traveling across four continents and competing with some of the finest players in the world. She played in the 1976 Montreal Olympics, the World Student Games in Moscow, the Pan Am Games in Mexico, and the World Championships in Cali, Colombia. Strike-Bolla was also a key player for Laurentian University when it won the Canadian Collegiate Championship in 1974.

Strike-Bolla received her B.A. degree from Laurentian (Sudbury, Ontario) University in 1975 and she earned her M.S. in Physical Education from the University of Oregon.

JIM BOLLA  CO-HEAD COACH

Jim Bolla begins his third year with the Lady Rebels, his first as Co-Head Coach. He had been assistant coach his first two years at UNLV and was promoted for the 1983-84 season.

Before coming to UNLV, Bolla spent three years as a graduate assistant for the University of Pittsburgh's men's basketball team under present Runnin' Rebel Assistant Coach Tim Grurich. While with Pitt, Bolla was the rebounding specialist for the Panthers, which finished third in the nation in rebounding in 1980. After that, Bolla became a full-time assistant coach for the Pitt women's team.

As a professional player, Bolla spent one season with the Cannon team in Venice, Italy and later was a member of a team of American professionals who toured South America. As an undergraduate at Pitt, Bolla played center on two Panther post-season tournament teams. In 1974, he was an important member of the team that made it to the final eight in the NCAA Tournament, only to lose to David Thompson-led North Carolina State. In 1975, Bolla was captain of the squad to make the NIT field. He was also a high school All-America while playing for Pittsburgh's Canavin High, the 1969 Pennsylvania state champions.
DAN PENCE
ASSISTANT COACH

Dan Pence begins his third season at UNLV as an assistant coach for the Lady Rebels. His primary responsibility is scouting talent across the country and recruiting players to attend UNLV. The Lady Rebel basketball program recruits on a national level with Pence spending much of his time in the East and South, in addition to traveling around the rest of the country.

As a player, Pence was All-City, All-State, and Honorable Mention All-America at Phoenix (AZ) Central High School. He went on to play in college for both USC and the University of Arizona.

Pence received his B.A. degree in History from the University of Arizona in 1969 and earned his M.A. in Sociology from UNLV in 1981.

PENNY WELSH
STUDENT ASSISTANT

Penny joins the Lady Rebel coaching staff after a successful playing career. A senior history major at UNLV, Penny will go on to pursue a Master's degree in History.

She played two seasons (79-80, 80-81) at the University of Pittsburgh where she earned freshman MVP honors. At Pitt, her sophomore season, she made the National Women's Invitational Tournament All-America team.

Her last two years were spent at UNLV (81-82, 82-83) where she enjoyed two great seasons. She is currently the Lady Rebel's number three all-time scorer (994 points - 18.4 ppg) behind Kathie Calloway and Debra Waddy. Her high game at UNLV came last year against the University of Mississippi when she canned 38 points.

UNLV ENTERS PCAA CONFERENCE

The UNLV Lady Rebels will participate in the PCAA Conference for the first time ever this season. Along with UNLV, California-Irvine and California-Santa Barbara will be members in the conference.

UNLV, Irvine, and Santa Barbara will play a home and home series with each other with the PCAA playoffs scheduled for March 4-6.

In November of 1983, meetings will take place to expand the conference for the 1984-85 season. Teams considering entry into the conference include: Utah State, Cal State-Long Beach, Cal State-Fullerton, Fresno State, San Jose State and Pacific.

The first major step for the conference will involve a playoff system. The goal involved is obviously the winner of the conference receiving an automatic NCAA playoff berth. "Dr. (Brad) Rothermel was a driving force for this league," said Strike-Bolla. "It presents a great opportunity for our women's program to be associated with a fine conference as the PCAA."

Therefore, with the ladies being in the same conference as the men, it could lead to more doubleheader possibilities in the future. In the upcoming 1983-84 season, there are approximately five doubleheaders scheduled.

Overall, being associated with a conference has many advantages. The idea of winning a conference gives a team momentum when gearing up for post-season play. In the past, the Lady Rebels were a major independent, where after seasons end, the program is at the mercy of the NCAA selection committee.
THE BERT LEAVITT MEMORIAL SCHOLARSHIP

A donation in the name of Bert Leavitt was made in the Spring of 1983 to an endowment fund for women's basketball at the University of Nevada, Las Vegas. An annual scholarship, the Bert Leavitt Memorial Scholarship, will be presented prior to the beginning of each season by Mrs. Joyce Leavitt to a member of the women's basketball team who meets the following criteria: 1) The recipient must be in either her junior or senior year of eligibility at the time of the scholarship; 2) The recipient must have an overall GPA of 3.0 for her college career; 3) The recipient will be chosen by the head coach (Mrs. Joyce Leavitt reserves the right to amend this item at her discretion); 4) In the event that no female basketball players meets all of the above-mentioned criteria in any given year, the award will be presented at the discretion of the head coach.

The recipient of the Bert Leavitt Memorial Scholarship shall receive monies from interest earned on the Bert Leavitt endowment up to the amount specified by NCAA as allowable over and above her basketball scholarship. Remaining monies that represent the balance of interest earned on the Bert Leavitt endowment shall be transferred into the women's basketball scholarship account.

The Bert Leavitt Memorial Scholarship recipient shall receive, in addition to scholarship monies, a small plaque to be provided through funds accrued from the endowment.

The interest earned on the first quarter, ending June 30, 1983, shall be used to purchase a large trophy, upon which names of successive recipients shall be added, to be displayed in the Thomas and Mack Center.

According to co-head coach Sheila Strike-Bolla, "Lynn is another player who must learn a new position. Always the tallest on her team, she is projected to play at guard for us and she has to become familiar with playing away from the hoop. Lynn looks forward to developing her ball handling skills and increasing the range of her shot. She is probably the most gifted athlete of those we have signed; she is a great leaper and possesses good speed and quickness. Once Lynn makes the transition to guard, she should be a very exciting addition to our squad."... attended Morningside High School where she lettered in four sports: basketball (4), volleyball (3), track and softball (2)... her honors include: All League for four years, All-CIF for three years... honored with the award of CIF Player of the Year... majoring in Sociology... born November 2, 1965... brother Dennis plays for the Oakland A's... daughter of Travis and Inetter Sherow,

Tefft's high game last year was seven points vs. West Texas State University... as a prepster, she attended Cholla High School and earned All-Metro Conference honors as well as being named her squad's MVP... also averaged 19 points and 13 rebounds a game as a prep... lettered four years in basketball and volleyball... majoring in Education... born December 9, 1963... daughter of Gerold and Kay Tefft.

The City

First settled in 1855 as a missionary outpost of the Mormon Church, Las Vegas today has blossomed into a metropolis of more than 450,000 permanent residents. We have new parks, museums, churches, hospitals and libraries.

Our cultural scene is enriched by art galleries, legitimate theaters, a professional ballet company and numerous serious musical organizations. When you live here, you soon realize that the glitter and glamour of the “Strip” is usually left to the tourists; in all the other important ways, Las Vegas is no different than any large city on the move. The advantage is that if you want to take part in Las Vegas’ unique entertainment scene, it’s there.

For UNLV, this is the picturesque southwestern United States. Within a 30-mile radius lie the shores of Lake Mead, massive Hoover Dam and the Colorado River recreation area, the snow skiing trails of 12,000-foot Mount Charleston, and a panorama of red-rock mountains, eroded sandstone landscapes and forgotten ghost towns. The city is only 4 to 5 hours drive by car from Los Angeles, Phoenix or southern Utah’s great national parks.

Las Vegas Facts

Las Vegas (Spanish for “the Meadows”) is the seat of Clark County, located in the southern tip of Nevada, bordered by Arizona and the Colorado River on the east and California on the west. The Las Vegas metropolitan area is nestled in a 2,000-foot high desert valley surrounded by mountains that range in height from 5,000 to 12,000 feet.
DR. LEONARD GOODALL — PRESIDENT

Since his arrival in July 1976, Dr. Leonard E. "Patt" Goodall has presided over UNLV's greatest period of development. With an average student enrollment increase of six percent during each year of his presidency, Goodall has been instrumental in the implementation of a $50 million construction program to accommodate both the growing student population and the expanding academic programs at this dynamic university. During Dr. Goodall's tenure in office, new master's degree programs have been added in the fields of geoscience, accounting, hotel administration and computer science.

Among his other accomplishments here, Goodall played a major role in the development of the UNLV Foundation. The creation of this organization has improved endowment assistance for faculty development, travel and research as well as bringing outstanding lecturers to the university. At the heart of this program is the "President's Associates," an organization which Goodall established to recognize and encourage systematic giving to the university.

Goodall came to Las Vegas from the Midwest where he had served for eight years as chancellor to the University of Michigan, Dearborn. His background also included administrative service at two other urban universities.

A specialist in the field of urban politics, Goodall is the author of three books, Urban Politics in the Southwest, The American Metropolis and State Politics and Higher Education. He has also written numerous monographs and articles in scholarly journals.

On the national level, Goodall is active on several boards and committees, including the Commission Women in Higher Education of the American Council on Education and the national Committee on Urban Affairs of the American Association of State Colleges and Universities. Also an active member of the community, Goodall serves as a board member of the Nevada Development Authority, the Boulder Dam Area Council of Boy Scouts, the Nevada Catholic Welfare Board and the Clark County Chapter of the National Conferences of Christians and Jews. He is a Rotarian and an elder and member of the session of the First Presbyterian Church of Las Vegas.

The administrator received his bachelor of arts degree in social science from Central Missouri State College in 1968. He went on to earn his master's of arts in political science from the University of Missouri in 1969 and a doctorate in political science from the University of Illinois in 1962.

Goodall and his wife, Lois, have two daughters and a son.
