Top Tier Focus

MARCH 26, 2019

Student Achievement Core Theme/Goal

Our Top Tier journey is to achieve excellence in research, education, and community impact. Top Tier Focus is designed to provide campus with regular updates on progress toward our Top Tier goals.

Student Achievement is of utmost importance at UNLV as we further develop young minds to be active, contributing members of society. Students who do well are better able to make the transition into adulthood and to achieve overall success.

How are we doing?

Freshman Retention Rate

from 2015 through 2018*

**Increased from
74.1% to 75.9%**
2025 Goal: 85%

6-Year Graduation Rate

from 2015 through 2018*

**Increased from
40.5% to 42.9%**
2025 Goal: 50%

Graduation and retention rates help us demonstrate our accountability to our students, demonstrating our students' path towards progression of their degree objectives and their ultimate achievement of these objectives.

While we see growth in each metric, we still have work to do to reach our goals. Campus units will further their efforts to increase graduation and retention rates, as well as other areas pertinent to student success.
