## Service Learning Experience

Each experience was different.

First time: played with the kids and tutored  
Second time: organized and cleaned around  
site.

First experience > second experience.  
Didn't know what to expect because every  
place is different and not all places are the  
same.

Came across less fortunate kids.

## Difference Making and Future

Not all kids are the same.  
Some people are less  
fortunate.

Patience is key.

I'm going to volunteer  
more and make a difference  
in the world.

Be organized in life.

What I learned:

- You have to make kids learn for themselves.
- All kids learn differently

"If you can't feed a  
hundred people, then  
feed just one."
