Service Learning Experience

Each experience was different.
First time: played with the kids and tutored
Second time: organized and cleaned around site.
First experience > second experience. Didn’t know what to expect because every place is different and not all places are the same.
Came across less fortunate kids.

New agricultural technology = hunger rates down.

Social Problem/Issue Research
25% of Sub-Saharan Africa population is undernourished.

“If you can’t feed a hundred people, then feed just one.”

Social Issue: Hunger
1 in 6 people in America face hunger.
40+ million Americans need Government help.

“Not all kids are the same. Some people are less fortunate. Patience is key. I’m going to volunteer more and make a difference in the world. Be organized in life.
What I learned:
- You have to make kids learn for themselves.
- All kids learn differently
