# Top Tier Focus

MAY 7, 2020

## Academic Health Center Theme/Goal

*In the midst of supporting the campus community, Southern Nevada, and the state during the COVID-19 pandemic, we remain focused on our Top Tier strategic plan. In order to remain vigilant in fulfilling our mission, a document providing focus on the broader goals of Top Tier during this time can be accessed [here](#).*

*Our work is of vital importance, now more than ever. Top Tier Focus is designed to provide campus with regular updates on progress toward our Top Tier goals.*

The Academic Health Center fosters a dynamic, humanistic environment that 1) promotes an innovative curricula that prepares a collaborative practice-ready workforce; 2) advances a synergistic pathway toward excellence in research and scholarship; 3) fosters collaborative, comprehensive person-centered clinical services; and 4) stimulates reciprocal community engagement that enhances the visibility and demonstrates the value of the Academic Health Center.

Metrics illustrate service to the community through the number of students who graduate annually with health-related degrees and are ready to enter the workforce, contributing to health care in Nevada and other states. Health-related degrees are those offered by Integrated Health Sciences, School of Nursing, School of Public Health, and School of Dental Medicine. The first class from the School of Medicine will graduate in 2021.

Healthcare delivery and services are a critical need for our region. Serving our communities by promoting health and well-being is central to our mission at UNLV.
