Community Partnerships

Top Tier Focus provides regular updates on progress toward our Top Tier goals. The next iteration of our strategic plan, [Top Tier 2.0](#), will be presented to the Board of Regents in March 2022. Our plan will continue to provide a framework to guide our efforts as we advance into the future.

Community Partnerships seeks to leverage our resources for public good to advance the university and the communities we serve through developing strong partnerships that are mutually beneficial, promoting the value of the university, and enriching the intellectual and cultural vitality of the valley.
