SOUTH DAKOTA STATE JACKRABBITS
Let a great team protect your family.

In the game of life, life insurance is the soundest way—often the only way—to guarantee that your family will be free of money worries if you should die. The moment you own a policy, you've guaranteed them cash. For food and clothing. For paying off the mortgage. For schooling. You've guaranteed that your family's future is more secure. And no one is better prepared than a New York Life Agent to help you provide this basic financial security for your family. Carefully chosen, thoroughly trained and experienced, New York Life Agents make a full-time career of guiding families and businesses like yours towards greater financial security.

Pictured below are some of the New York Life Agents in this community—they're good people to know.

Single Family Residences
By The Collins Brothers

If you haven't seen Spanish Oaks yet, you couldn't possibly imagine the concept of luxury the Collins Brothers have created just for your living pleasure. Spanish Oaks is the ultimate, a carefully designed community of individually detached homes clustered in Spanish courtyard surroundings. When you visit the six beautifully furnished models on West Sahara at 3300, you will then realize there has never been a place like Spanish Oaks.

HOME OF THE GOOD SPORTS
UNLV TRAINING ROOM

Providing care and attempting diligently to prevent all athletic injuries for the UNLV Rebels is the school’s fine training room under the capable direction of Rodney Poindexter, beginning his fourth year with the program after graduating from North Carolina State University in 1971. Quickly becoming one of the most valuable persons on the UNLV athletic staff, Poindexter has developed an extremely efficient operation enhanced by the co-operation of local physicians.

The Rebel team physician for nearly 10 years has been Dr. Theodore Jacobs, Director of Athletics. Also assisting greatly in the Rebel athletic program over the years has been Dr. Armour, was honored this past July as the “Nice Guy” award winners for 1975 by the University Rebels Club booster organization.

Helping Poindexter in the university’s new training room complex at the Paul McDermott Physical Education Center are student assistants Mike Bern­

Joan Gillette

will handle the four Women’s intercollegiate sports as well as the training room for women students and faculty at UNLV.

Today's Game

By Dominic Clark
UNLV Sports Information Director

Taking Rodriguez's place in the starting lineup at fullback will be junior Sylvester Spinks, who scored two touchdowns against NAU.

The Rebels may be passing a bit more tonight because of the injuries in the backfield, but junior Glenn Carano is having an excellent year through the air. Setting two individual in a game records against NAU. Carano has now completed 83 of 147 passes for an extremely accurate 56.1% percentage. He has 1,347 net yards and six touchdowns. All the up-to-date Rebel stats can be found on page 25 of this evening's program.

SDSU has several very strong players, led by slotback Dick Weikart who is their leading rusher and pass receiver. Weikart, who scored a key touchdown against UNLV last year, has carried the ball 81 times for 525 net yards and six touchdowns.

UNLV, with last Saturday's pleasant victory over Northern Arizona University, is now expected to see more action this season at Rebels.

Injured against NAU were the top three Rebel rushers for 1975 — Darrell Moore, Willie Russell and Manny Rodriguez. Moore, with a severe ankle sprain, is going to be out at least this game and maybe more.

Russell had a mild head injury and is expected to play this evening, but freshman Rodriguez is in a cast for his hyper-extended right knee and he is not expected to see any more action this season at all.

And Now, The Weather. Fair And Warmer With A Montezuma Snowblast Likely This Evening.

What better way to follow up a lot of tough, strenuous football than with a cool, refreshing Montezuma Snowblast? You've never heard of a Montezuma Snowblast? Well, you can find out what it is by ordering one at your favorite watering hole. Or better yet, you can make one yourself right in your own domicile. Here's how:

To make a Montezuma Snowblast, you take a large amount of subzero altocumulus clouds — no, that's not it. Here it is.

Take 1 1/2 ounces of that noblest of tequilas — Montezuma — and set it aside. Or drink it, and set another 1/2 ounce aside. Then take 12 heaping ounces of ice, fill a glass with it, pour in Montezuma and fill up the glass with Fresco's the tangy apricot. Quench your thirst. You've got an authentic Montezuma Snowblast ready to unleash on friend and foe alike.

This recipe is void where prohibited or otherwise restricted.

Get an authentic Montezuma Snowblast T-shirt, just look for our display at your local store. Or send $2.95 (check or M.O. only) to Barton Brands, Dept. C, 200 S. Michigan Ave., Chicago, IL 60604. Offer good while supply lasts. Void in any state where prohibited or restricted.

The very finest in Las Vegas

2905 Maryland Parkway
It was a normal day at UNLV’s Frazier Hall last week. Except the staff members looked a little unusual. Caught up in the spirit of Halloween, Betty Du Buc went about her duties in the Registrar’s Office as “the nice witch.” Lynn Hicks of the Graduate College sleighed students with her St. Nick outfit. The student placement specialist was a pirate and the cashier a convict behind bars. Telephone callers had no idea the campus operator was wearing a two-foot stovepipe hat. “It was all a little crazy,” said one staff member. “But the students loved us.”

Ride Our Rainbow, Half Price.

And in some cases, even less! For Senior Citizens, it's only 20¢ a ride with I.D. And there's the 10-ride Commuter Card for $3.35. That's only 33¢ per ride. Also, there's a new 6-token rate, which is only 40¢ per ride. So ride our rainbow. It's the best buy on wheels.

ONE MAN'S OPINION

By STEVE MARCONI

First of all, I would like to see UNLV play all of its games at Las Vegas Stadium. That's right, all 11.

Then, I would like to see all native-born Los Vegas officiate the games. That's right. Preferably, UNLV graduates. Better yet, former Rebels football players.

I would then like to have the Rebels scheduling Los Angeles State, Prairie View A&M and New Mexico Highlands. No, not all the same year. At the same month. And play each of them three times a year. The Rebels could end the season with exhibition games against Vo-Tech and Pahrump Valley.

If they can't swing that schedule, for sure the Rebels should avoid playing any team in the Big Sky Conference, or at least any team from Idaho. And the only teams they could play from California besides LA State would be Bota, Arizona-Pacific, Fresno State and Chico State. Or maybe the UCLA and USC junior varsity.

Then, if the Rebels could get six year eligibility for each player, the program would get a big boost. Only juniors and seniors would be allowed to play in the games. The freshmen and sophomores could scrimmage against the Class AAA high school teams or the University of Nevada, Reno, whichever had the tougher team that year.

If a starting player like Mike Haverty or Joe Ingraffia gets hurt, the season is postponed indefinitely -- starting the players after the injury -- until they get completely well again. You can't expect the Rebels to play without their stars.

FOOTBALL ON 13

Monday, 6:00pm
NFL Football
Saturday... NCAA Football

ONE MAN'S OPINION

In addition, any graduates of the caliber of Mike Thomas and Steve Haggerty would get special dispensation from the NCAA or NFL to come back and play on Saturday nights, just as long as they would fly back to be with their respective NFL teams in time for Sunday's games.

In games at Las Vegas Stadium, the Rebels would be given a first down after gaining only three yards. And the home team would be given seven points for a touchdown and two points for an extra point. Field goals would count five points if the ball goes through the uprights and three if it misses by only 10 yards either way.

A fumble could only be recovered by visiting teams if it first touches five other Rebel players. An interception will be a 20-yard penalty on the opposing team for disrupting the progress of the football.

UNLV would be given free substitution -- while a player is in progress. Opposing defenses will not be allowed to move before -- or after -- the snap of the ball.

The Rebel defensive players will only have to tag opposing players with two hands below the waist for the ball to be dead. UNLV receivers will not need ANY feet inbounds for a catch to be good. It will be a 15-yard penalty if the opposing team causes an incompletion.

The Rebels can kickoff from the 10-yard line -- the opponent's 10-yard line.

No more than one player can tackle a UNLV player at a time. And it will be illegal to tackle them behind the line of scrimmage.

Finally, there will be no clock. The game ends whenever the Rebels get ahead by 40 points.

Wouldn't that be nice? Then the Rebels would never lose again. The FANS would love it. Wouldn't they?
A GROWING UNIVERSITY

The 1974-75 academic year has been one of continued achievement at the University of Nevada, Las Vegas. Here is a glimpse at the highlights.

Enrollment: There are now more than 7,000 students enrolled at UNLV, and the rate is still climbing at about 10 per cent a year—many times the national average. Students come from every state of the nation and more than three dozen foreign countries.

Instruction: Presently, students may enroll in any of 65 degree programs at the bachelor's and master's level offered by UNLV's 32 academic departments. This summer, the school's first doctoral program got under way in the College of Education as a joint effort between UNLV and the University of Nevada, Reno.

The university conducted its second successful "Mini Term" in January. The innovative program gave students two weeks of intensive study into topics of wide ranging and timely concern. Some students worked in local businesses or government offices, while others traveled out of state to investigate everything from plant ecology to mountain resorts.

More than 4,000 persons attended the university's two summer sessions, and 10,000 adults enrolled in the many classes, institutes, workshops and seminars conducted for community residents.

New Construction: One of the country's finest physical education centers opened its doors this spring. The $6 million facility, containing two gymnasiums, a 50-meter indoor swimming pool, handball courts, training and equipment rooms, will not only provide space for physical education instruction, but will become a center for the entire community, since numerous classes for every age level are being organized by the school's Division of Continuing Education. The complex has been named the Paul McDermott Physical Education Center in memory of the long-time Las Vegas business and civic leader, friend and regent of UNLV. Two major facilities now under construction include the 2,000-seat Artemus Ham Concert Hall, scheduled for completion early next year, and a $5 million Life Science Building, set to open during the summer of 1976.

National Honors: The theatre arts department's production of "The House of Bernarda Alba" was selected in the American College Theatre Festival as one of the nation's top ten plays for 1974 out of 325 colleges and universities which competed for the distinction. The play was performed last spring at the John F. Kennedy Center for the Performing Arts in Washington, D.C. with all expenses paid by the festival.

In athletics, the Rebel football team carried a perfect 11-0 season into the national Division II regional finals where it advanced to the Grantland Rice Bowl in Baton Rouge, La., and a nationwide television audience. The nationally 16th-rated basketball team completed its regular season with a 22-4 record, won its first West Coast Athletic Conference crown, and advanced to NCAA Division I playoff games in Tempe, Arizona and Portland, Oregon.

Summing Up: In just 18 years, UNLV has blossomed from a single small building beside a dirt road into a beautiful 300-acre campus. It has attracted a well-qualified faculty of some 325 professors who are not only devoted to good teaching, but who are earning reputations for their research work and community service endeavors. Overall, the economic contribution of UNLV to the city has been significant, with millions of dollars brought into the area through student and faculty expenditures, capital construction, endowments and grants. The university is a resource that all in Las Vegas are proud to support.

THE FOOD PEOPLE WHO CARE

CARANO FIRES AWAY — UNLV junior quarterback Glenn Carano (no. 12) prepares to fire another record-setting pass against NAU last Saturday. Carano, who now has 1,347 yards passing in 1975, set Rebel records for an individual in a single game of most completions (19 of 31) and most yards (267). He needs only 77 tonight to set a single-season total yardage record.

Certainly one of the finest in the nation, the University Rebels Club is the driving force behind booster support for the UNLV athletic program. With continued active member participation, the URC is growing even stronger.

This past year the URC had its greatest fundraising drive ever, raising nearly $450,000 for the support of the grant-in-aid program for Rebel athletics. This total is also one of the top five in the nation, and, to think UNLV has had only just over a decade of graduating classes, so the alumni roster isn't very long.

The honorary list of alumni at UNLV is one of the largest as the record drive would indicate all the thousands of Rebel boosters there are in the community. URC co-ordinator is Davey Pearl and the director of athletic fund-raising for the university is Dr. Wayne Pearson. These two men have become living legends among booster groups across the nation.

The new officers of the URC, for the 1975-76 academic year are: President, William "Wildcat" Morris; Vice-President, Eddie LaBaron; third Vice-President, Chuck Wenner; and Secretary-Treasurer, Doug Crosby. This is a repeat performance for Morris at the top, as the former University of Nevada Regent, has given years of service to Rebel athletics.

On July 10, 1975, Caesars Palace Hotel hosted the grandest URC "Thank You" Banquet of all as nearly 2,500 Rebel boosters were honored by one of the all-time greats — Mr. Frank Sinatra.

SERVING SOUTHERN NEVADA SINCE 1906

NEVADA POWER COMPANY
RON MEYER
Head Coach

The suave, dynamic head football coach for the UNLV Rebels, Ron Meyer is ever-so-quickly building a high-powered, well-organized, progressive and productive product for the department, university and entire State of Nevada. Football is an extensive and expensive sport, and the Meyer-men have responded with back-to-back nationally ranked 8-3 and 11-0 seasons, two All-Americans and money in the bank. Football is definitely paying its way at UNLV.

The Rebels advanced to the Division II semi-finals last season after the brilliant undefeated regular season and next season seems to promise more of the same. A total of 49 returning lettermen, including 17 possible 6.0. He earned his Master's degree in science which is the largest crowd ever to witness a sporting event in the State of Nevada.

Meyer appears to have the markings of one of the all-time great pigskin coaches, but time and fate will dictate much of his future. If ever there was a man who could change fate, however, it may just be this one. His highly-organized, well-disciplined, “equal opportunity for all, special privileges for none” LAS VEGAS WAY program is an eloquent example of the great accomplishments of athletics.

Coaches develop and cultivate All-Americans. At Purdue, he guided several supers in Bob Griese, Leroy Keyes and Mike Phipps. At UNLV there have been Mike Thomas and Joe Ingersoll. Obtaining all the little qualities that go into making him a complete, thoroughly-prepared coach, Meyer also has a demanding speaking tour, clinic assignment schedule, a radio show and a weekly half-hour television show in Las Vegas.

He is the composer and director of the UNLV football symphony and his music is becoming increasingly popular. Following the great Rebel season in 1974, Meyer’s peers selected him as the District 8 Coach-of-the-Year in recognition of his accomplishments. He was also selected as an assistant coach for the 15th Annual Coaches’ All-America game in Lubbock, Texas.

In college, Meyer was an All-Academic Big Ten performer and recipient of the Big Ten “Medal of Honor” for combined proficiency in scholarship and athletics in 1962.

In two productive seasons as the UNLV coach, Meyer has brought the school its first nationally-ranked football team, and its first team to compete in the NCAA playoffs. With the vigor, optimism and enthusiasm of youth, and the confidence of an experienced coach, he has a 20-4 won-loss record in just two seasons, directing a team that has rewritten the school record book.

An active member in both the American Football Coaches Association and the Fellowship of Christian Athletes, Meyer and his wife Cindy have a very lovely family.

Meyer is dedicated to the pursuit of excellence, and his goals and ideals will settle for nothing less. He is a shining leader in the UNLV athletic program.
Sitting like an oasis in the desert, the sparkling Las Vegas Stadium provides the location for UNLV's seven home football games this year. Built by the Las Vegas Convention Authority at a cost of $3.5 million, it has 15,000 permanent seats and 1,100 bleacher seats that have been added to the existing facility to bring its current seating capacity to 16,100.

The newest Astro-Turf facility in the United States, seven light standards provide enough brightness to broadcast color TV at night and the palatial facility, truly built in Las Vegas Style, has a fine press box and complete dressing room facilities for both the Rebels and their opponents.

Everyone who has seen the stadium agrees that it is definitely another showplace in the entertainment capital of the world.

STADIUM GLITTERS IN THE DESERT

Designed with the future in mind, ultimate expansion as needed calls for 60,000 seats and a triple-decked press box.

The stadium is located in East Las Vegas, approximately seven miles from the UNLV campus. In pre-season and spring practice, the Rebels hold Saturday scrimmages at the stadium, otherwise practicing at an on-campus site.

Opened for the first time when the Rebels lost to Weber State College, 30-17 on October 23, 1971, the official stadium dedication ceremonies were held during the halftime of the UNLV-Western Illinois game on September 9, 1972. Western Illinois won a good game, 35-28, before 18,800 fans.

During the 1974 undefeated Rebel season, the stadium was twice sold out. On October 19, UNLV defeated Boise State University, 37-35, before 18,631 standing-room-only fans—the largest crowd in the history of the State of Nevada to ever witness a sporting event. Then again, on November 16, the sixth-annual Big Game was played at the facility, and the Rebels beat the University of Nevada, Reno, before another oversold house of 17,119 fans.
