# Working at Goodwill and what it has taught me

## The problem being addressed

- . Lack of clothing for people
- . People who have clothing that they don't want to keep
- . To have clothing options for people at a reasonable price (i.e blue tag sales have clothing options with a blue tag for 50% off on Fridays, green tag sales 50% off on Saturdays, etc.)

## Joseph Cheney The Experience

## Social Impact and what I learned from it

- . I was able to contribute in organization of clothes
- . It helps people in finding the right piece of clothing when they need to find it through a section
- . It taught me about organization, priorities, and communications with others
