Bills and resolutions may be determined to be exempt from the provisions of subsections 1 and 2 of Joint Standing Rule No. 14 (limitations on time for requests for drafting), subsection 1 of Joint Standing Rule No. 14.2 (limitations on time for introduction) and Joint Standing Rule No. 14.3 (final dates for action) at the time the bill or resolution is introduced or at a later date, or may be determined to be eligible for exemption, which means that the bill or resolution will become exempt upon referral to the Senate Finance Committee or the Assembly Committee on Ways and Means.
