## Service Learning Collaboration with Student Affairs

### The practice and the need it addresses

**Service Learning is Applicable to courses across academic disciplines**

“**Service Learning** is a form of experiential education in which students engage in activities that address human and community needs together with structured opportunities for reflection designed to achieve desired learning outcomes.” (Jacoby, Service-Learning in Higher Education, 1996)

### UNLV Service Learning to date

**2015-2016 Assessment Highlights**
