Social Issue Research

What are the Issues?

There are many. Some are more apparent than others.

- Bullying
- Depression
- Lack of Responsibility

How to Approach Issues

- Random acts of kindness
- Host stress relief activities
- Help build meaningful relationships
- Preach useful life advice and good morals/ethics

Service Learning Experience & Making a Difference

The Experience

- Expected religious limitations. Was wrong.
- Work 3 hours every week by showing up by 5:00
- I helped set-up and clean-up site. Was a Bassist and Guitarist on stage.

The Change

Learned:

- Time management skills
- Importance to keep an open mind.

My Contribution:

- Allowed for faster set-up and tear-down
- Made me a welcomed member of the community

For the Future:

- I'll keep volunteering when I can.
- Something similar to this program must be created to aid student all over, not just students of the church.
