What Can Be Done?

• Hard to Change Politics
What Can Be Done?

• Hard to Change Politics—and why would you?

• Proactive Approaches
  – Changing Rhetoric
  – Changing Administrative & Governing Strategies
    • Administration Priorities
  – Changing Culture
    • “We’re not that kind of state…”
Administration Priorities

• Presidential & Cabinet Priorities
• Green Energy Grants
• Community College Grants
• Health Care Innovation/R&D Grants
• Manufacturing Grants
“We’re not that kind of state…”

- Geography vs. Tradition
- Agriculture Grants
- Manufacturing Grants
  - New path forward in federal funding
  - Blends public and private funds
  - Focus on ROI, restructuring, consolidation
  - Examples: Race to the Shop, Make It in America
Summing Up

• Nevada: A child not living up to its potential
• Mountain West: Growing political clout
• Key: Create strategies to capitalize on politics
• Key: Get to know the administration
• Key: Effort & expertise pay dividends
Thank you.
