Solution-Focused Collective Action: A Response to Harry Korman, Peter De Jong, and Sara Smock Jordan

The Solution-Focused Collective

Abstract

Die Juli 2021-Ausgabe dieses Journals enthielt sowohl eine Reaktion (Shennan, 2021) auf den Artikel „Steve de Shazer's Theory Development“ (Korman et al., 2020) als auch eine Replik darauf von den Autor:innen des Artikels (Korman et al., 2021). Die Autor:innen gaben ihrer Antwort den Untertitel „Eine Replik auf Guy Shennan und das lösungsfokussierte Kollektiv“, obwohl Guys Reaktion eine individuelle war und das Kollektiv keine Rolle in seinem Text spielte (und nach unserem Leseverständnis seines Artikels scheint uns nicht, dass Guy etwas anderes vorgeschlagen hat). Da Korman et al. in ihrer Erwiderung zu unserem Manifest (Solution-Focused Collective, 2019/2021) einige kritische Anmerkungen gemacht haben, möchten wir ins Gespräch eintreten.
