Smile, and Let Me Go

Please don't cry for me
Please don't be sad for me
Don't wait for me anxiously
Your face, with a frown, means nothing to me

Please don't love me
It is too late to love me
Don't wait for me anxiously
When love is over, we move on

You let me go without thinking
You would regret it now
But, if you hadn't broke my heart
I never would have known sadness
My heart is empty
There's no feeling left for you
Smile and let me go
Like you did before
