ACHIEVEMENTS AND PARTNERSHIPS IN 2010

NevadaGIVES is serving as one of the Lead Partners of the Southern Nevada Funders Forum, which meets regularly to discuss local funding trends, map community investments, leverage funding resources, and provide technical assistance.

NevadaGIVES partnered with Vegas PBS to hold “Speed Dating for Funders and Nonprofits.” The key objective of the event was to assist local philanthropic community leaders in making worthwhile connections with some of the smaller, lesser known nonprofits in Southern Nevada.
Following a request by former BCIC (Business Community Investment Council) members, NevadaGIVES is scheduled to **convene three gatherings this year with former BCIC members.** The purpose of these gatherings are two-fold: to provide corporate giving executives an opportunity to share trends, concerns and ideas with each other as well as to provide NevadaGIVES with ambassadors and business advisors that can inform our outreach to corporate funders.

NevadaGIVES partnered with The Foundation Center, a national organization recognized as the leading authority on organized philanthropy, to host a “**Meet the Grant Makers**” panel discussion on June 2 at the Clark County Library District. In addition to co-hosting this event, NevadaGIVES also served as one of the panelists to share best practices in approaching funders locally and nationally.
