Libraries Locations (back cover)
The UNLV Libraries support the university community by embracing the traditional values of higher education adapted for the global community in the 21st century. We are not only at the center of campus but also at the center of student learning.

The Libraries serve students and faculty, both on campus and at remote locations, including UNLV’s Shadow Lane Campus in Las Vegas and the William F. Harrah College of Hotel Administration Singapore Campus.

Housing over 1.3 million volumes and supported by more than 120 staff members, our physical libraries are augmented by our collections of more than 330 electronic indexes, databases, and reference sources; more than 20,000 serials (electronic and print); and access to more than 500,000 electronic books.

We invite you to use this guide as you explore our collections and services.
