Executive Summary

- The number of records in the volunteer database decreased by 20.7% over the last quarter. The database now contains 7,072 records.
- Results show an average of 1,080 visits per month, and with an average of 2,328 pages viewed per month.
- Get Outdoors Nevada supported 22 volunteer events in a variety of ways. These events utilized 867 volunteers whom contributed approximately 3,774.5 hours of service.
- Two community outreach events were attended, resulting in 476 direct contacts with 50 names added to the database.
- The 7th Annual Volunteer Recognition Banquet was held on 11/5/11 with 156 volunteers in attendance.

Task 1. Refine and maintain a quality Web-based volunteer database.
The Volgistics volunteer database is now populated with 7,072 records. (See Figure 1 below).
The number of volunteers in the database decreased by 20.7% over the quarter. The percentage of decrease is due to the deletion of 683 mailing list volunteers who have not volunteered in over two years and 1941 archived volunteers who had volunteer hours, but had no hours for the past two years.

Fig. 1 above shows the number of records in the database of volunteers.
Task 2. Manage, update, and administer an IVP Website.

Average website activity increased; results are as follows:

- An average of 1,080 visits per month, a decrease from an average of 1,170 visits per month last quarter.
- An average of 2,328 pages viewed per month, a decrease from an average of 2,681 visits per month last quarter (See Fig. 2 below.)

Task 3. Evaluate and revise, as appropriate, Standard Operating Procedures (SOPs) for all areas of interagency volunteer management.

The Interagency Volunteer Team (IVP) met four times during the quarter, with its primary focus on the Volunteer Recognition Banquet, Make-A-Difference Day Events, and planning for spring events and training schedule.

Task 4. Evaluate and update strategies and tools for volunteer recruitment.

The IVP team continues to create and send out a monthly newsletter, which includes information on how to volunteer for upcoming volunteer opportunities. These opportunities include episodic volunteer opportunities, as well as operation volunteer opportunities. The IVP team also continues to recruit volunteers through volunteer.gov and their own agency websites.

In addition, two community outreach events were attended. Staffed by the Public Lands Institute, these events are an opportunity to personally meet and recruit new people to volunteering with Get Outdoors Nevada. Table 2 contains a summary of the contacts made.

Task 5. Support Agency Departments and SNAP Teams with conservation projects that require volunteer workforce on the public lands.

The IVP team continues to work with other SNAP teams to provide logistical support for volunteer events. The Public Lands Institute provided support for the following 22 events which are summarized in Table 3 below.

**Moapa Valley NWR Overlook Trailday**  
October 1, 2011- Moapa Valley NWR- USFWS  
Cancelled

**Be the Change Day**  
October 1, 2011- Placer Cove-Lake Mead- NPS  
Twenty volunteers worked for six hours each (120 hours) to clean-up the Placer Cove area. This event was a partnership between the NPS and Gr8divin, who adopted Placer Cove, to do a dive event as well. Volunteers removed a total of 67 bags of litter from the area. This equates to 1675 pounds or 4.5 cubic yards of litter and glass.

**Alexander Dawson NJHS Cleanup**  
October 5, 2011- Desert Tortoise Conservation Center- BLM  
44 volunteers from Alexander Dawson High school removed 3 cubic yards of trash.

**Cottonwood Cove Eco Dive & Beach Cleanup**  
October 8, 2011- Cottonwood Cove- Lake Mead- NPS  
This event was a co-sponsored event with Lake Mead's Concessioner, Forever Resorts. We had 174 land volunteers and 43 divers participate in the event. Volunteers removed approximately 7,140 pounds or 19.8 cubic yards of litter. Land volunteers scoured a 2 square miles area, which mainly concentrated on the shoreline/ beach area and subsurface of the marina. This event was Forever Resort's 15th year to hold the annual cleanup.

**Trailtoberfest**  
October 8, 2011- Desert National Wildlife Refuge- USFWS  
45 volunteers created water bars, a length of traction/erosion control surface, and cleared overgrowth along 300 meters of the Bird Song Loop trail.

**Stewardship Saturday - Planting**  
October 15, 2011- Ash Meadows NWR- USFWS  
Cancelled

**Make a Difference Day**  
October 22, 2011- Red Rock Canyon- BLM  
55 volunteers participated in weeding, trimming and watering plants in the exterior exhibit area of the visitor’s center, in the front of the visitor’s center, including around the solar panels, the entrance fee station and in the tortoise habitat. Other accomplishments included a seed ball making project which was done by children, and installed new pavers to create a new walkway to connect the admin and visitor center buildings on the backside of the buildings.
Sandy Valley Cleanup  
October 22, 2011 - Sandy Valley- BLM  
20 volunteers removed 70 cubic yards of trash  

Las Vegas Boat Harbor Eco Dive and Beach Clean-up  
October 29, 2011 - Las Vegas Boat Harbor Launch Ramp- Lake Mead- NPS  
Fifty-five land volunteers picked up 600 pounds of trash, and one 30 gallon bucket of glass. Twenty dive volunteers picked up 100 pounds of trash from underwater. All volunteers contributed over 300 hours to the clean-up. This event was a co-sponsored event with our concessioner, Las Vegas Boat Harbor.  

Callville Bay Beach Cleanup  
November 5, 2011 - Callville Bay- Lake Mead- NPS  
Thirty-five volunteers collected 4940 pounds of trash from the wash, shoreline and marina area. They contributed 140 hours to the cause. This event was a co-sponsored event with our concessioner at Forever Resorts, Callville Bay.  

Stewardship Saturday - Cattail cutting

120 Volunteers removed 28 cubic yards of trash  

Placer Cove Beach Cleanup  
November 12, 2011 - Placer Cove- Lake Mead- NPS  
Once again, the National Park Service and Gr8Div’n partnered to clean up the Placer Cove area. Twenty-five volunteers assisting with a shoreline litter removal donating over 125 hours. GR8DIV’N provided 21 divers who assisted with subsurface cleanup donating over 126 hours. Volunteers removed approximately 1,600 pounds of litter. Items removed by the divers included two chairs, two inflatable pool rafts, one tarp, one grill and one patio umbrella.  

Stewardship Saturday - Corn Creek  
November 12, 2011 - Desert NWR- USFWS  
In an effort to enhance refuge habitat for a variety of avian species and other wildlife, 26 volunteers contributed to the fight against invasive and exotic species, and helped stabilize disturbed soils. Using various means, including a huge slingshot, participants sowed over 700 previously crafted seed balls that consisted of local native grasses and shrubs.  

Stewardship Saturday – Pahranagat  
November 12, 2011 - Pahranagat NWR- USFWS  
In an effort to enhance endangered southwestern willow flycatcher habitat on the refuge, 2 Volunteers assisted the refuge Restoration Specialist to plant 120-1 gallon containers of native plants.
**Wetland Wonderland**  
November 19, 2011 - Desert NWR- USFWS  
66 Volunteers spent a beautiful Saturday morning contributing to the restoration of wetland habitat on Desert NWR at Corn Creek Station. Participants included as many youths as parents and expertly planted a total of 632 - 1 and 2 gallon, and 3” pots, of wetland vegetation that included willows shrubs and grasses.

**National Family Day**

Table 3 shows the details of the types of events that were conducted with the assistance of the IVP team from September to December, 2011

**Task 6. Evaluate, refine, enhance, and deliver interagency volunteer orientation and training program.**

The IVP team has contracted UNLV’s Division of Educational Outreach, Office of Distance Education to create an automated version of the IVP volunteer orientation training. This project will allow the IVP team to deliver the orientation training to a wider audience using fewer staff. The first draft of the automation project is complete and currently under review by the IVP team. The final version will be completed in February 2012. Upon completion the IVP team will resume orientation trainings using the newly created DVD’s.

In addition one training was held this quarter. The following table highlights the training.

**Task 7. Identify possible grant and donation opportunities to help support and sustain the program.**

Public relations and outreach activities, as well as opportunities to develop new collaborative community partnerships and relationships included the following:

- Partnered with Roy Martin Middle School administration to develop and implement an afterschool leadership program focused on caring for public lands
- Reached out to several for-profit businesses seeking donations for the annual recognition banquet. The following businesses have donated:
  - Fremont Flightline Experience: 4 free admissions
- REI: combination of $15 gift cards and equipment (value less than $200)
- Whole Foods: 1 $20 gift card
- Coffee Bean and Tea Leaf: free coffee coupons
- Chipotle: 5 dinner for two coupons
- Paddles to the core: 2 free paddle lessons
- Bootleg canyon zipline: 2 free passes

- Researched various leads on possible grant opportunities based on innovative environmental programs and neighborhood builders.

**Task 8. Plan and implement volunteer recognition initiatives and events.**

The 7th Annual Interagency Volunteer Program Recognition Banquet was held in the UNLV Grand Ballroom on 11/5/11. More than 150 volunteers attended the banquet. The following is a list of award winners:

- Bruce Lund – volunteer of the year
- Wanda Alexander – lifetime achievement award
- Amelia Savage – Supervisor of the year
- Red Rock Canyon Natural Resource Team – group of the year
- GR8 DIVIN – sponsor of the year
- Patty Conant – special award
